

# Female Genital Mutilation

## Half Day Course

**\*Option for NTF accreditation via Agored Cymru**

### Course Aims

- Introduce/increase knowledge of Female Genital Mutilation (FGM)
- Provide an understanding of the legality of FGM in the UK
- Consider the emotional and physical effects on those at risk
- Enable individuals to recognise signs of FGM
- Provide information on where to get support for individuals
- Provide confidence in how to respond to disclosures

### Learning Outcomes

- ✓ Develop a basic understanding of the term FGM
- ✓ Become familiar with guidance documents in the UK relating to FGM
- ✓ Understand the legality of FGM in the UK
- ✓ Have an insight into how someone undergoing FGM may be affected and how to recognise the signs
- ✓ Understand where to go for support regarding FGM and how to report a case

***'The trainers clearly had a good understanding of the subject matter... making the training more engaging.'***
