

Understanding Domestic Abuse (including Coercive, Controlling Behaviour) Full Day Course

***Option for NTF accreditation via Agored Cymru**

Course Aims

- Provides knowledge and understanding of controlling and coercive behavior (CCB)
- Give an overview of the offence as part of the Serious Crime Act December 2015.
- Understand what coercive control is and its function within an abusive relationship,
- Understand the effects and impacts of CCB
- Provide information on types of domestic abuse involved
- Advice how to support victims/survivors and refer to specialist services

Learning Outcomes

- ✓ Raise awareness of the impact of Domestic Abuse and Coercive Control on an individual
- ✓ Ensure understanding of new legislation
- ✓ Improve the agency response when working with those who have experienced CCB
- ✓ Increase awareness of how agencies can support with building a case of CCB.

'A very resourceful day, lots of knowledge and real life experience shared. This training will support me in having appropriate conversations with the families I work with.'
