

Working with Male Victims of Abuse

Full Day Course

This course is aimed at professionals working with male victims of Domestic Abuse and provides an introduction to the impact of Domestic abuse on men, specifically exploring the stigma and barriers that males face when disclosing/reporting incidents.

Learning Outcomes

- ✓ Define what is meant by domestic abuse/sexual violence; understand the dynamics and prevalence of domestic abuse/sexual violence experienced by men;
- ✓ Understand the risks associated with male victims and a general awareness of gender-based violence, domestic abuse and sexual violence; risk assessing and risk management options;
- ✓ Understand the support available for men who have experienced domestic abuse/sexual violence;
- ✓ Improve the response they provide to male victims/survivors who are experiencing domestic abuse/sexual violence with the aim of empowering disclosures;
- ✓ Have awareness of the barriers faced by male victims of domestic abuse and/or sexual violence and understand how to overcome these
- ✓ Understand the additional reluctances/pressures male victims experiencing when reporting or accessing support

'I will be better able to serve not only victims in Wales, but i have a deeper overview of how I can better support male victims, and also has added resources for me to offer as an international advocate.'
