

LGBTQ+ Affirmative Approaches

Duration: Half Day and Full Day Course Available

Cost: £700/£1250

Delivery: In Person or Online

This is an engaging and useful training in LGBT-affirmative approaches. Taking an approach that is more nuanced and initially more difficult to understand but ultimately more impactful for professionals and their clients, making our approach and more person centred.

This offer moves beyond 'LGBTQ+ training' which often focusses on definitions of words, flags and explaining the law. Learners will take a broader view of everyone's gender and sexuality and how these beliefs, identities and values are shaped socially and can change over time.

This interactive, engaging, and thought-provoking training will be useful for any public-facing professional, especially those in supportive roles. We adapt the content to ensure it is relevant to the groups we work with.

Course Aims:

- To understanding of the historical, cultural and societal context of LGBTQ+
- To understand sexuality, gender and relationship diversity
- To explore how homophobia and transphobia can shape the experiences of LGBTQ+ folk
- To understand how hetero-normativity affects us all.

Course Outcomes:

Learners will:

- Gain the confidence to discuss gender and sexuality with colleagues and service users.
- Learn how best to support LGBTQ folk
- Create an inclusive and welcoming LGBTQ+ affirmative environment for all.
