

## Neuro-Affirming Practice

**Duration: Half Day**

**Cost: £700**

**Delivery: In Person or Online**

This course encourages a trauma-informed, non-pathologising view of neuro-diversity. We explore the meaning of terms such as neurodiversity, neurodivergent, neuro-affirming and neuro-inclusive. We look at common barriers for support and identify ways that our practice and our services can be more accessible for all.

### Course Aims:

- To raise awareness and understanding of non-pathologising approaches to neurodiversity.
- To gain an understanding of common challenges for various neuro-types
- To use a trauma-informed and person-centred approach in making our services more accessible

### Course Outcomes:

Learners will:

- Understand the lens of neuro-affirming and neuro-inclusive practice
- Understand and address some common barriers faced by clients
